

...no illusions about saving the Earth...

***Planet Earth CAN NOT and WILL NOT be saved!
The Plan will be carried out as predicted***

There will be a Separation

One part will be collected and taken away from the Earth:

the descendants from Adam and Eve.

One part will be left on planet Earth and destroyed:

the descendants from the Serpent.

***The **Messiah** will arrive just before the End...
with millions of small space ships
Almost 2000 years ago He was, according the Plan,
killed by descendants from the Serpent...
He left his Spirit behind
and lead this world to its destruction.
By managing the 12 Chosen Ones to carry out the Plan.***

A gigantic Space Ship

*...surrounded by a fleet of smaller space ships,
will suddenly appear in the sky of the Earth...*

Commander:

J.C. from Nazareth

The Messiah

**Words by Jesus the Messiah, spoken to remember us how
the circumstances will be in the world, *right before His
Return.***

“Suddenly the world and natural phenomena will precede the coming of the Messiah.

- Sun, moon and stars lose their shine.*
- Charity, the love for each other will cool and all kinds of sins will prevail*
- You will hear of wars and war preparations, peoples will wreak the greatest possible hostilities against each other*
- Nature seems to be in disarray (climat change!)*
- Major storms and other terrifying incidents will terrify humanity*
- There is general fright, what awaits the Earth upon seeing the rising seawater overflowing its banks*

When the situation is as described above, then:

- Infectious diseases will be added to shed the misery*
- Earthquakes will be felt here and there*
- Here and there will be flooding*
- Famines will ensue*

- Then destroyers will be placed where they should not be.*

About this was spoken by the prophet Daniel (12:11).

(Whoever notices, pay attention!)

*That then those who are in Jerusalem flee the city. **As this means the end of the Jewish State.** Then the pressure on this people will be as great as it has never been from the beginning of time and never will be again.*

*These are the days of retribution and fulfillment of all the Holy Scriptures
Observe yourself so that you will behave according to the purposes of God.*

“...meanwhile, while all nations raise their lamentation, He shows Himself, the neglected One...- He appears on the clouds in the sky, and returns to the Earth in lustrous shine. Immediately He will send His envoys, who will, with loud noise, collect all well-known to Him selected people, from all four corners of the world, and gather them as One Nation to their Chieftain”.

I have now told you everything in advance.

As in Daniel 12:11. The time elapsing between the cessation of daily service and the placing of the destroyers will be: 1290 days. Blissful is he who persists and hardens for 1335 days.

Timeline

From 70 AD until now: waiting for the Return of the Messiah

- 70 Destruction of Jerusalem and Temple. Jerusalem trampled by the Gentiles.
- 30 Departure of Jesus, preparation of a world
- 4 Birth of Jesus in Bethlehem. Huge spaceship ("star of Bethlehem") above Bethlehem. Note: Bethlehem is situated between Nazareth and the Lake of Galilee. It was NOT the Bethlehem near Jerusalem!
- 2345 Great Flood over the Earth. It killed the Serpentine, hiding under Atlantis. Previously repeated annihilation of "civilizations" that were created by the Serpent by the extraterrestrials under command of Yahweh. Also between the Great Flood and the year 30, repeated attacks on "Cities of the Gods", Greek, Persian, Egyptian, Maya etc. were systematically exterminated by Yahweh, the God of Adam.
- 4000 Termination of the Garden of Eden

The period before 4000 BC is called "Prehistory".

- 7000 Serpent copies Adam and Eve. Creates family's of Gods and their peoples. (See a.o. Stanza's Book of Dzyan)
- 9000 Start Garden of Eden. Immortal Adam and Eve in the image of the creating extraterrestrials.
- 12000 End of the Ice Age by changing the Polar Axis. Planet Earth was then considered suitable for life and arranged by extraterrestrials. However it became a Fiasco.... A fiasco, that is now going to be restored....

*"If the householder had known at what time the thief would arrive...
he would certainly have taken measures to prevent that..."*

*The householder is the Ruler of the world (the spirit of the Serpent),
the thief to come is the Messiah...*
